Village
Primary School

Reception

Summer One Curriculum Letter

Team Dixon

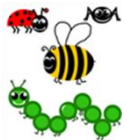

*On a magical journey
to success!*

Team McKell

*Together we can do
amazing things!*

Miss Burns and Mrs Rayner will be supporting in Reception.

Mr Ruthven and Mrs Connell will be working with the children
every Wednesday morning.

Theme

"Where might you find a fantastic beast?"

WOW Experiences

Come to school dressed as a
Fantastic Beast 20/05/24

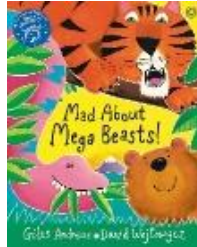

Literacy

As Readers, we will continue to re-read simple sentences to develop our early fluency and understanding in literacy. In phonics we will begin Phase 4 of Little Wandle 'Letters and Sounds Revised'.

As Writers, we will continue to focus on writing simple sentences in a variety of narrative and non-narrative forms and re-read what we have written.

Key Text

Maths

As Mathematicians, we will continue to focus on developing our number knowledge through counting patterns for numbers beyond 10. We will also explore addition and subtraction and develop an understanding on sharing and grouping.

Communication and Language

As Attentive People, we will focus on learning to listen carefully to longer stories from the beginning to the end and respond to what we have heard. **As Speakers**, we will continue to focus on speaking clearly in full sentences, using sentence stems, and expressing ourselves in different ways.

Expressive Arts and Designs

As Creative People, we will focus on developing our art, design and technology, dance and singing skills through exploring and using a range of media and materials. **As Imaginative People**, we will begin to represent our own ideas through art and

Personal, Social, and Emotional Development.

As Confident People, we will be encouraged to talk through a range of theme related activities and talk to others about them. **As Good Citizens**, we will be discussing our own and other people's feelings. In Learning for Life (circle time) we will be sharing ways of how we can manage our own feelings and emotions when dealing with challenging situations.

Understanding of the World

As Part of the Community, we will focus on talking about events in our lives through weekend news, super star moments and celebrations. **As Explorers**, we will focus on observing and finding out all about animals such as insects, jungle animals, under the sea animals and animals which are now extinct.

Forest School will be on **Friday 24th May** and we will be building Bug Hotels.

PE This will be taught by Mr Ruthven every Wednesday morning. Children must come to school dressed in their P.E. kit on this day. Our focus this half-term is ball skills.
