

17th April 2024,

Dear Parents and Carers,

Inter League Cross Country Race

Your child has been selected to represent the North Bradford League cross country team. The race will be at Cliffe Castle on **Wednesday 24th April**. The races start at 4pm and there will be separate races for Years 3,4,5 and 6, and for Girls and Boys (8 races in all).

Unfortunately, for this race there will be no Cottingley Village Primary School staff in attendance so you will have sole responsibility for your child. You will be presented with a new number for your child for this race upon arrival by one of the race organisers.

The race is on grass (and mud) so the it would be a good idea to bring:

- running trainers (with decent grips),
- their school P.E shorts,
- a long sleeved top;
- tracksuit bottoms, and
- a warm, waterproof coat.

Children may also need an energy snack (such as flapjack or banana) and a **bottle of water**. If your child requires an inhaler, please ensure they bring one with them.

Your child's first name will be used simply be for administrative purposes and publishing the results online.

You do not need to confirm with school your attendance as this is an event being run by the league and not school.

Kind regards,

Mr M Ruthven
P.E Co-ordinator
