Dear Parents/ Carers,

It is with great news that I would like to inform you that Kanga Sports will be delivering a **fun** packed **Capture the flag** after school club.

In capture the flag, each team must enter the other team's playing area and dodge being captured by ducking and diving, then claim the flag and bring it back to their playing area.

All our clubs are tightly structured and well supervised. They are designed for **all abilities** and we promote self confidence, creativity and respect when working with others, in all our sessions. At the end of the block our coaches will present an award for the stand out player of the 6 week course.

If you are interested in your child attending please follow the directions below or follow the QR code direct to the booking page.

Many Thanks,  
Kanga Sports
