Dear Parents/ Carers,

It is with great news that I would like to inform you that Kanga Sports will be delivering a **fun** packed **Ultimate Frisbee** after school club.

The main objective is to catch the disc in the end-zone by passing the disc to progress up the pitch. You cannot walk or run with the disc. Points are scored when the disc is caught inside the end-zone.

All our clubs are tightly structured and well supervised. They are designed for **all abilities** and we promote self confidence, creativity and respect when working with others, in all our sessions. At the end of the block our coaches will present an award for the stand out player of the 6 week course.

If you are interested in your child attending please follow the directions below or follow the QR code direct to the booking page.

Many Thanks,
Kanga Sports
