Dear Parents/ Carers,

It is with great news that I would like to inform you that Kanga Sports will be delivering a **fun** packed **UV Dodgeball** after school club.

This is a new addition to our after school clubs. We use UV lights and special dodgeball equipment to make everything glow, for a fun twist on dodgeball.

All our clubs are tightly structured and well supervised. They are designed for **all abilities** and we promote self confidence, creativity and respect when working with others, in all our sessions. At the end of the block our coaches will present an award for the stand out player of the 6 week course.

If you are interested in your child attending please follow the directions below or follow the QR code direct to the booking page.

Many Thanks,
Kanga Sports
